FROM THE PRESIDENT'S DESK

The weather gods were looking down on us for BeCA's General Meeting in the park, with a beautiful day. As the sausages were being cooked, we discussed issues from school parking, the tavern and retail development, to seating at some of our frequented bus stops and the outcome from the sewage spills. Any issues that needed Council's action have been brought to their attention.

BeCA also recently met with

our State M.P Mark McArdle. Lengthy talks were had about our access to and from Bellvista, the future of Caloundra Airport and the Caloundra Downs development associated with future Bellvista infrastructure needs.

BeCA has also formed a landscaping sub-committee, which also plans to meet with other associations from Stockland developments, (KaFRA, KIRA) in July as well as with our local councillors.

COUNCILLOR COMMENT

Responsibility for management of the Caloundra Aerodrome was transferred to the Airports Business Unit of Council as of 1 July.

I am keen to see the new airport management working closely with both aerodrome operators and the

community. With the management team, Cr Tim Dwyer and I will invite the community to participate in the formation of an aviation community forum. The more local voices we hear from, the better the outcome for all.

In the recent Council budget \$130,000 in capital works was allocated for Caloundra Aerodrome over

ANNUAL GENERAL MEETING

Our next public meeting will be our first AGM on Monday 7th September 2009, 6.30pm for a 6.45pm start, Stockland Sales Office.

Nominations for any management committee positions to be received by Tony (secretary) by 24th August. They're available on the Bellvista blog page.

the coming financial year. Highlights are \$90,000 for the provision of helicopter landing pads to be located near the intersection of the two runways. This will assist in the reduction of flights over adjacent communities.

Also, \$20,000 has been allocated to investigate aircraft movement activity.
