FROM THE PRESIDENT'S DESK

What a turn out for BeCA's second AGM, we had 45 attending, considering the storm that passed over. Thanks go to our speakers Ron Piper for his information into the Caloundra Downs development and Cr Anna Grosskreutz for talking to residents.

I would like to welcome the new committee, with only one new face, that of Paul Harrison, joining the committee. Paul is also involved in the Landscaping committee too. Many thanks go to Rodger Tedmanson and John Lehmann, both whom were instrumental in the initial establishment of BeCA two years ago. Both members chose not to re-elect, though still remain as active members of BeCA. All other positions were filled unopposed and my appreciation goes to everyone forming the 09/10 committee.

Issues at the AGM were raised about the airport noise and forum that council has

established, concerns a few residents had about the local shops and tavern development, update on Unity College school crossing (operational by mid October), landscaping and park maintenance by council, which is underway with the street scaping taking shape and the beautification works on the main park.

Members also voted on BeCA approaching council on naming of the main park. BeCA believes a name such as The Canavan/Gracie Park is an excellent suggestion for the park. They were two Sunshine Coast identities that recently died in a plane accident near the Kokoda Track in Papua New Guinea. Council will undertake the relevant steps needed in determining the outcome in due course. See you at the next general meeting to be held on Saturday 5th December at 4pm.

GENERAL MEETING/CHRISTMAS PARTY

WHEN: Saturday 5th December 2009

TIME: 4pm

WHERE: Bellvista Lake Park

WHAT TO BRING: Drinks and Chairs

We will have a general meeting followed by a sausage sizzle.

LIVING AROUND LAKES

Sunshine Coast Council has received a number of reports relating to activities of concern around the Bellvista lakes, and would like to offer the following advice.

If you notice anyone disturbing wildlife on the lakes, please contact council on 5475 7272. Reports of children throwing rocks at swans and other wildlife on the lakes are of great concern and

under the Nature Conservation Act is considered an offence.

Please refrain from feeding birds. This simple act of apparent kindness creates a number of problems as birds may be fed multiple times each day. Human intervention of this nature can cause an increase in the lakes nutrients, aggressive bird behaviour and a reduction in the bird's natural resistance as well as encouraging over population of certain species. Educational signage with these messages will be installed in the coming months.

Fishing, while not prohibited, is not encouraged in any council managed lakes. Discarded fishing line and hooks can cause danger to birds and other animals in the area.

If you have any concerns about the lakes or require more information please contact Councils Customer Service Centre to speak to the Lakes & Wetlands Technical Officer - Kate Mackenzie
